Qualitative Measures and Results

Definition of a Measure: According to paragraph 18(6) of the *Employment Equity Act*, employers must describe measures taken during the reporting year to implement employment equity in their Narrative Reports. This includes all of the practices implemented in your organization which ensured an equitable working environment. A valid measure is designed to benefit designated group members.

Definition of a Result: Paragraph 18(6)(a) of the *Employment Equity Act* requires that employers describe the results achieved during the reporting year in their Narrative Reports. Results are most often related to a measure implemented in the same reporting year, but may also be linked to a measure implemented in a previous year. Please record all of the results achieved during the reporting year.
